

Slade Watkins

Leadership Profile

Slade Watkins is the **President** of the Interplanetary collective. Interplanetary was previously known as DWPD and Saturn Media Group, and has existed since 2015. In 2016, Slade took an indefinite leave of absence from the collective – though he would eventually returned as Technology Officer in 2018.

In 2019, Slade transitioned from his T.O. role to President of the collective.
